

Aurora Robotics Employee Handbook

1. Leave Policy

Full-time employees at Aurora Robotics receive 18 paid leave days per calendar year, in addition to 10 public holidays. Up to 5 unused leave days may be carried over into the following year; any remaining balance beyond that is forfeited.

2. Remote Work Policy

Employees may work remotely up to 3 days per week with their manager's approval. Fully remote roles, where an employee works remotely every day, must be pre-approved by HR before the role is posted or offered.

3. Expense Reimbursement

Expense reports must be submitted within 30 days of the expense being incurred, accompanied by itemized receipts. Reports submitted after this window may be rejected at the finance team's discretion.

4. Probation Period

New employees serve a 90-day probation period from their start date. During probation, either the employee or Aurora Robotics may terminate the employment relationship with 7 days' written notice.

5. Code of Conduct

Employees must disclose any conflict of interest to their manager within 5 business days of becoming aware of it. Failure to disclose a known conflict of interest is grounds for disciplinary action.

6. Parental Leave

Primary caregivers are entitled to 26 weeks of paid parental leave. Secondary caregivers receive 2 weeks of paid parental leave. Both forms of leave may be taken within the first 12 months following the birth or adoption of a child.
